PORT HARCOURT

Office of the Registrar

TO: To All Students of the University
FROM: Registrar
OUR REF.: IAUE/REG/86/VOL.II/304
DATE: 27th January, 2022
SUBJECT: PAYMENT OF CHARGES AND REGISTRATION FOR THE 2021/2022

Recall that by the approved Academic Calendar of the University for the 2021/2022 session for both fresh and returning students began on **Monday, November 29, 2021**

Recall also that the Acting Vice Chancellor, Prof. Okechuku Onuchuku, on assumption of Office, magnanimously reversed the amount payable as Acceptance charges for students to the amount that was payable in the 2020/2021 session. He also reversed the School fees (charges) to the previous amount of the 2020/2021 session.

Furthermore, the Acting Vice Chancellor introduced the **installmental mode of payment of fees**, to accommodate those who are unable to pay all fees/charges at once.

However, to the dismay of the University Administration, **these student friendly policies** have not been reciprocated as majority of the students, both fresh and returning have refused to pay their fees/charges.

In the light of the above, the University Administration has directed as follows:

1. All returning students **must pay** at least the first instalment of the fees/charges for the 2021/2022 session, register at least the First Semester courses online before **Friday, 11th February, 2022**.
2. All fresh students who were admitted **in the 1st, 2nd and 3rd batches of Admission for the 2021/2022 session, must pay the charges;**

Acceptance charges, and at least the 1st instalment of their School fees/charges and register at least the 1st Semester courses not later than **11th February, 2022.**

Please note that students who fail to pay up their charges and register appropriately for the session are not students of the University for the academic session.

Therefore, any student both fresh and returning that fail to comply with the above directives stand the risk of losing his or her studentship.

By this notice, all Deans of Faculties and Heads of Departments are to ensure compliance by students of the various Faculties and Departments.
